Child Diagnostics, Inc. / Dianne Craft, 2016. Softcover. Book Condition: New. Are you looking for a Student Reader that your child will love?because of the success he will experience right away? These specialized Right Brain Student Readers were created by special education teacher Dianne Craft for her students struggling with reading and particularly auditory processing problems. This Orton Gillingham-based phonics method introduces sounds and sight words in a manner that ensures success for even the most struggling student. "Instant Success" Right Brain Sight Word cards created specifically for each story, are included with each Student Reader. The result is that word memorization becomes dramatically easier, with the bonus is that students will be able to SPELL all the words easily, because they will be stored in the student?s photographic memory! Colored reading transparencies (included in the front of each Reader), reduce stress on the child?s visual system. The third Student Reader in the series, "You Rock" (Level 1-C) is the final Reader in the first grade level. This is for the struggling older reader, or beginning readers at the end of first grade level reading. ? What makes these Student Readers different from other decodable (phonics-based) readers? . They're carefully engineered (each new word is introduced in a particular order). This gives predictable success for all readers (particularly when no other reading books have worked) These Readers are remarkably effective for students with Dyslexia. . Picture-imbedded Right Brain Phonics sounds are prominently featured on each page for easy recall while reading. . Zany Right Brain Sight Word Cards specially made for each reading book make reading easy right away. . Word reversals and eye fatigue are greatly reduced by adding Colored Reading Transparencies. You will be surprised how this helps. Detailed teaching instructions are included in each Reader and in...
