Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.All the major English bibles interpreted and translated the Hebrew word ruwach as spirit and the Greek word pneuma as spirit in reference to mankind. Therefore there is no possibility for all who read the major English bibles to draw any conclusion other than this: That mankind were created with spirit, soul and body. This is well and acceptable if the interpretation of these words are true. If they are wrongly interpreted and translated it would lead to wrong and false understanding of what and how mankind were created to be. Unfortunately, the interpretation and translation of ruwach and pneuma concerning mankind are wrong and incorrect. This had led to the wrong and false understanding of the word of the God concerning the creation of mankind. And therefore the scriptural truth that a little leaven leaven the whole dough (Galatians 5:9) began to take effect. This book is released to reveal the truth of how and what mankind and other living creatures were created with and to be. It also reveals the difference between mankind and other living creatures and what happened to mankind after the creation. Some key points in this revealed in this book are: - * Are mankind created with spirit, soul and body? *What and how are other living creatures created to be? *Differences between mankind and other living creatures. * Mankind were created with vital breath and breath of life. * What is the function of the vital breath in mankind? * What does it mean that mankind were created in the resemblance and likeness of Elohiym? * Mankind were created mortal. * What is the death sentence on Adam and the rest...
