Every vision is a joke until the first man accomplishes it; once realized, it becomes commonplace. Dr. Robert Goddard, Inventor of the Liquid Fuel RocketTruer words were never spoken as you will find out! This book spotlights the realities of inventing. Many believe that if you invent something great you are guaranteed to become rich and famous. Nothing can be farther from the truth as forces well beyond the inventors control can overtake the inventor and invention. Read the following paragraphs and you will see what I mean. Like your cell phone? Read about the woman inventor who never got a dime for the technology she invented to make today's cell phones work! Learn that the inventor of a car bought by emperors, kings, and sultans died so poor that he reportedly couldn't afford a telephone, let alone a car that bore his name! How about your refrigerator? Read about a Florida physician that succeeded in making a working refrigerator, then was slandered by newspapers about it and died penniless. Do you know that the creator of...
