Singularis, United States, 2013. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Employee Manual This is the new employee handbook we have developed for use and modification. We have taken this template and expanded it for each of the practice locations. If you would like this in a MS Word format for modification please let us know or locate it on the website (). The terms used to identify a practice, dentist and employee were purposely left generic to allow this manual to stand alone as is without significant modification or to serve as a working template to create a unique manual customized for any practice needs. Why reinvent the wheel? If your office does not have such a manual or you are just starting your very first practice or perhaps opening a new office, Dental Practice Resource Group has the resources and tools to make your life easier. Please review the details contained within this document, as certain aspects will require change: office hours, time off, paid CE, etc. Look for our other manuals on common office issues such as: OSHA, Radiation Safety, Exposure to blood and body fluids and more. Wishing you the best, The Team at Dental Practice Resource Group.
