Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Mountaineers Books. Paperback. Book Condition: New. Paperback. 430 pages. Dimensions: 8.4in. x 6.9in. x 1.0in. The godfather of North Cascades climbing updates the third of his seminal guides to this wild range. Hikers, scramblers, serious climbers and Northwest rescue organizations, alike have relied on Fred Beckey's Cascade Alpine Guides for decades to lead them through this wild mountain range. In addition to their comprehensiveness, the books provide a rare combination of aerial photos with route overlays, three dimensional illustrated maps, and climbing topos. The section of the North Cascades covered in this volume is roughly a pie-shaped area bounded by Hwy 97 and the Columbia River to the east, Lake Chelan to the west and Hwy 20 to the north. Except for glaciers and some year-round snow fields, it's mostly dry, lonesome, open country, with beautiful granite spires jutting to the sky. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
