

Power Chord: One Man s Ear-Splitting Quest to Find His Guitar Heroes (Paperback)

By Thomas Scott McKenzie

It Books, United States, 2012. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book. When Scott McKenzie was a young man, he thought he saw God . . . The deity was all in black with knee-high silver boots, a patent-leather breastplate, and full face makeup, clutching a beautiful, custom Les Paul guitar. Ace Frehley, lead guitarist for the rock group KISS, wasn t God but hearing his piercing, shrieking, screaming, outrageous guitar solos was a transcendent spiritual experience for a boy from rural Kentucky, making him feel uplifted, a witness to a higher power. Two decades later, a grown-up Scott McKenzie vowed to meet Ace Frehley in the flesh as well as the other gods and demigods who have held divine power over a generation of worshipful metal fans: legendary guitar champions like Glenn Tipton of Judas Priest and Phil Collen of Def Leppard, hallowed names like Steve Vai, Warren DeMartini, and John 5. Power Chord is a chronicle of Scott McKenzie s epic quest to stand in the presence of metal greatness to meet his omnipotent guitar gods face-to-face and get them to divulge their otherworldly secret.

Reviews

This pdf can be well worth a read, and much better than other. I am quite late in start reading this one, but better then never. Your daily life span will probably be transform when you full looking over this book.

-- **Roxanne Stehr**

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
