New Michigan Press, United States, 2010. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Reading Trey Moody s poems feels a little like standing among flags slapping in a bright wind in a field of flags, except that it s the middle of the night and each flag moves according to its own force. This new, serious, vivid, original voice reports from necessity. These beautiful poems are layered, foreboding, magnetic, preternaturally wise. --Kathleen Peirce When I was a boy, I choked on a piece of candy outside the kitchen window for a few minutes while watching my parents making dinner. I thought I was going to die, but I didn t want to scare them. Our existence was so separate, a dying and a doing well, an outside and an inside. Trey Moody s poems hover in that cold, wet, refrigerator-lit place between the dying and the doing well, the outside and the inside. His poems are the thoughts of the person you love who is always standing behind you, slowly and silently suffocating. But they re not afraid to say hello, and please, and I m scared. --Zachary Schomburg Artful without being pretentious, well-made without being staid, Trey Moody s investigations of our weird and ordinary world are a little off, by which I mean that they re onto something. Read em and be crept into. --Graham Foust.
