## If: A Mind-Bending Way of Looking at Big Ideas and Numbers (Paperback)

---

By David J. Smith

Hachette Children s Group, United Kingdom, 2016. Paperback. Book Condition: New. 239 x 230 mm. Language: English . Brand New Book. If the Sun were the size of a grapefruit, Earth would be the size of a grain of salt. Even the largest planet, Jupiter, would be only as big as a large pea. Some things are so big or so old that it s hard to wrap your mind around them. In If, we look at these hard-to-imagine objects and events and compare them to things we can instantly see, feel and touch. It is wonderful new way of seeing the world and is a fascinating way of understanding numbers and big ideas for children aged 8 and upwards. The author, David J Smith has found ingenious ways of scaling down everything from time lines (the history of the Earth is compressed into a single year!), to quantities (all the wealth in the world is divided into one hundred coins), to size differences (the planets are shown as different-sized balls). Each description is beautifully illustrated to reinforce the concept in a child s mind. By reducing everything to human scale, the big ideas and concepts are easier to grasp...
