Brookes Publishing Co, United States, 2015. Paperback. Book Condition: New. 274 x 213 mm. Language: English . Brand New Book. Filled with tips, tools, and strategies, this book is the comprehensive, practical toolbox preschool administrators need to implement early childhood inclusion through systems-level change. Inclusion is clearly linked with better outcomes for young children - but recent reports from the US Department of Education show the practice has grown by just 5 over the past 27 years. This is the how-to book preschool administrators, school leaders, and child care directors need to step up the progress of early childhood inclusion through big-picture, systems-level change. Shaped by feedback from a nationwide survey of IDEA Part B Coordinators who shared their real-life inclusion challenges, this is your comprehensive toolbox of problem-solving tips, evidence-based practices, and practical checklists and handouts. You ll learn how to overcome the challenges to a high-quality inclusive program, and you ll create a solid action plan for building and maintaining a successful program where all children learn and grow. GET THE TOOLS YOU NEED TO: solve common challenges to inclusion through new policies and procedures establish a strong inclusion team to make collaborative decisions implement an action plan for inclusion - and measure its effects increase access, participation, and supports for children with disabilities help teachers use evidence-based practices like RTI and differentiated instruction develop effective teacher professional development practices make sound decisions about placement for each individual child PRACTICAL MATERIALS: Reproducible planning forms and tools (see sidebar); more than 100 PowerPoint slides (available online) to help structure professional development events; tips and lessons from effective school reform efforts across the country; application and reflection questions for independent study and coursework.
