Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 202 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The Ugly Daughter is a thrilling memoir, the gripping true story of a young girl who witnessed horrific murders and who overcame cruel abuse and unimaginable tragedies to find love and happiness. Julia Legians emotionally, harrowing and fascinating memoir reveals how she endured a series of unbelievable tragedies and heartbreaking abuse from the hands of her parents and great aunty, and how she rose above her horrendous past to have a successful and happy life. Its beautifully written with simplicity and shocking honesty. The Ugly Daughter is a wonderful reminder that regardless of your social background or environment you came from, you can rise above the tragedy and survive. This book also clearly demonstrates that anything is possible if only you have firm faith in God or your creator. Its an amazing story of miracles, shocking reality of domestic violence, survival and extraordinary luck. This really is a powerful and touching story that must be read. This volume covers Julias life from growing up in Vietnam to the journey to Sungei Besi refugee camp when her family escaped the horrors and the aftermath of the Vietnam War. The second volume of the story, not yet released, is in production and has legal implications that have to be carefully managed. It covers their arrival in Australia and the challenges and nightmares that they faced there. Editorial Reviews We have no idea. No-one not brought up in a war-torn country can have any conception of what its like. This is a story of a little girl who was. Bodies are commonplace, death unsurprising, and poverty and danger extreme and ever-present. But the worst aspect of it all must have been the utter hopelessness....
