SAILING SIMPLIFIED (PAPERBACK)

Lulu.com, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sailing Simplified is a literal and simple sailing training guide with a little tongue-in- cheek diversion. A person with a little boating experience, and some, or minimal, common sense, should be able to grasp the simple concept of using wind power to travel over the world s waters. This lesson plan will take you from stepping aboard a typically equipped and rigged small to medium-sized sailboat to sailing it about the local waters. It will also prime you in a small amount of the mysterious sailor s language. Warning, warning, this may lead you to a lifetime of casual sailing or lure you into a whole new way of speaking and/or acting like a sailor geek. I wish you blue skies, high tides, fair winds, light seas, loads of fun and a bone in your teeth.
