Thus all parties were benefited. Migration, as a source of wealth, has not yet ceased, and will not cease for many years to come. It is proper that the enterprising and industrious should migrate from old States, which offer no good chance for them, to new countries, which present more favorable opportunities. Advantages of California for Emigrants. The present population of California is sparse; and there is the more room therefore for the growth of trade, and more opportunities for new comers to establish themselves in business. It is far better for the emigrant to go to a new country than to an old one; better to go to one where the population will double than to one where it will increase only twenty per cent, in five years. The population of Illinois is 2,500,000, and that of California is 600,000. An addition of...
