Brand New Book ***** Print on Demand *****.Excerpt from Gamle Norge: Rambles and Scrambles in Norway To travel profitably it is not sufficient merely to notice or admire scenic effects. Men and manners should also be closely observed; and no object or detail, however trivial, should be neglected or deemed beneath regard. Norway presents a wide field for observation and research, whatever may be the tastes and predilections of the visitor. Here may the geologist, if so disposed, find ample material for study; the archaeologist and antiquarian may revel among Runic stones, Viking tumuli, rites and ceremonies, quaint wood-carvings adorned with the ever-twining serpent, costumes, customs, c.; the keenest sportsman will find a treat in store for him; while the lover of the grand in nature and of simple rustic life will meet with them here to his heart s content. But to do this the main roads and cities must be abandoned for the mountains and f jelds, with their reindeer tracts and trout streams. To the Fjeld, then, to the Fjeld! With its beautiful ora and mosses. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
