Check with the seller before completing your purchase. This package includes the Enhanced Pearson eText and the loose-leaf version Long valued for its coverage of both assessment and instructional strategies, this widely popular reading diagnosis text presents a balanced view of literacy instruction, thoroughly examining interventions for students having difficulties with word study and reading comprehension. Instructing Students Who Have Literacy Problems, 7/e incorporates chapters on both formal and informal assessment with instructional interventions, allowing instructors to use this versatile text for one inclusive course or for two separate courses on diagnosis and instruction. Student case studies, as well as vignettes of teachers in action, illustrate real-world applications based on extensive research and the theoretical foundations of reading intervention. The new edition is available as an enhanced eBook, includes suggestions for using technology to teach struggling readers, addresses the Common Core State...
